

MEL LEE

+447564212402 | circusmelee@gmail.com | www.mellee.co.uk | instagram: @melee.x | [showreel](#)

Mel Lee is an aerospace engineer turned circus artist, who has toured with *Snoop Dogg*, coached celebrities such as *Anya Taylor-Joy* and claimed prestigious titles such as *Miss Pole Dance Scotland*. Her distinctive style blends a background in gymnastics with sensual pole dance, shaped by training in the UK, Latvia, and Las Vegas. Known for an electrifying stage presence that has led her to judge international competitions, Mel has also headlined across America, Europe, Asia, and Africa, captivating global audiences.

"Melissa demonstrates not only a commitment to artistic excellence but also an adventurous pursuit of innovation. I have no doubts that her contributions to the performing arts.. will be nothing short of extraordinary." - Stacy Clark, casting consultant of Cirque du Soleil, Disneyland and Spiegelworld.
